Refer to the diagrams to assure accuracy! I have proofed these instructions, but if there is a discrepancy, go by the diagrams.

Ch 1, turn at the end of each row. The ch 1 counts as the first sc of the new row.

Count your stitches after every row to be sure you have 26 stitches.

sc: single crochet

ch: chain

bgc: background color

mc: main color (horse)

create 4 bobbins in mc

using bgc ch 27, turn, This is your foundation chain.

The chain is your first sc of row 1. sc in the second ch from the hook. sc 24 more for a total of 26 stitches in row 1.

From here on, I will state stitches for each row. Remember to add ch 1, turn at the end of each row, and remember to count that as your first stitch for the next row.
